YOUR DONATION DOLLARS AT WORK

72 hours

to 100+ hours of education provided each year to our nurses. Approximately 4-6 nurses are able to take continuing education courses with the financial support of GiveBack program.

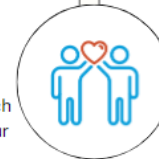

3 countries

namely the Philippines, Mexico and Africa have been a mission field for AHWM associate mission workers. A true testament of "Living God's love by inspiring health, wholeness and hope."

10%

of total giving to the GiveBack campaign resulted in funding the Cleft Palate program which serves many children in our community.

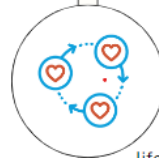

\$13,000

was raised to fund the various programs of the Diabetes department such as providing outreach and education to patients and their families.

450

associates have made a commitment to partner with us by supporting the GiveBack program at Adventist Health White Memorial.

2022

was a year of renewed hope, coming out of the pandemic. We are striving to increase our Associate donors and carry out our life-saving mission to our Boyle Heights community.

THANK YOU TO OUR ASSOCIATE DONORS

Each year, through the support of our associate donors, the Foundation is able to fund various programs and projects that make a big impact in the community that we serve. Since the inception of the Associate Giving Program at Adventist Health White Memorial, over \$2 million dollars have been raised to support our mission of *health, wholeness and hope*, and provide life-saving ministry to the East LA/Boyle Heights community.

Thank you to our family of White Memorial associates who tirelessly and passionately give of their time, talent and treasure!

Our Mission:
Living God's love by inspiring health, wholeness and hope.
